## Amy Levy

Amy Levy, Psy.D. is a clinical psychologist and psychoanalyst. She is co-chair of the American Psychoanalytic Association's (APsA) Council on Artificial Intelligence (CAI) and on the Editorial Board of The Psychoanalytic Quarterly. Dr. Levy lectures and teaches internationally on the intersection of psychoanalysis and artificial intelligence. Her publication topics include psychoanalysis and AI, intergenerational transmission of trauma, adolescent PTSD in the civil legal arena, and Bionian theory. She is the author of a soon to be released book, *The New Other: Alien Intelligence and the Innovation Drive*.
