Andrea El Maalouf Zaitoun

Ecuadorian and Lebanese radicated in Quito, Ecuador. Im educational and clinical psichologist, child, adolescent and family analyst and Analist in training with Ilap (Latin American Institute of Psychoanalysis).

I am passionate, caring, and committed to my work. I believe that training is based on the ethical principles of clinical practice and on commitment to my country's community. I enjoy working in a team, learning from others, and being able to contribute to my country through the development of psychoanalysis.
